

## In fewer than three minutes you can ask Eva to...

- Offer 750 customers an extension to their warranty AND ask if they're interested.
- Remind 1,500 customers that they are soon due for scheduled maintenance AND ask if they'd like to schedule an appointment.
- Perform "quality of service" surveys by phone and e-mail to ensure your customer ranks your dealership as 10 out of 10. With Eva, you find issues before corporate does.
- Advise customers via e-mail, text message and voice that service on their car is complete without having to spend 10 minutes on the phone discussing the details.
- Inform thousands of potential customers about upcoming sales, incentives or discounts AND ask if they'd like to know more.

**Eva** (Eventuality Virtual Agent) More than a simple notification service, EVA is a voice and text-based messaging service that allows you to communicate with an entire group and receive answers all at the press of a button. Offering two-way communication, EVA will send messages, ask questions, and record answers. She will even find the first person on your list to answer "yes" to a question.

## Benefits

- **Eva Makes Money:** Eva can make the calls and send the e-mails to hundreds of customers that your sales staff just doesn't have time for.
- **Eva Provides Accountability:** Eva keeps a detailed record of who she reached, by which methods AND how they responded.
- **Eva Saves Time:** Eva can deliver a notification or ask a question to thousands of people simultaneously. Eva achieves in minutes what takes a person hours or days to accomplish.
- **Eva Saves Frustration:** Eva delivers a message or asks a question quickly and to the point. She is not obligated to stay on the line with someone who feels like chatting.

## Features

- **Notification:** Eva delivers your message to a group by phone and e-mail.
- **Question:** Eva asks a group your yes/no question and delivers the results to you.
- **Find-First:** Eva calls your contact list one-by-one with a yes/no question. She immediately contacts you after the first person answers "yes".
